

# Conditions of Carriage - For Pets

## Isles of Scilly Travel

Pets are welcomed onboard Scillonian III passenger ferry from Penzance and aboard Skybus air-craft from Land's End and Newquay Airport.

Please note, as the ferry and aircraft can be an unfamiliar place, we do have a few rules to help ensure a safe, smooth crossing for you, your pets, and everyone else.

### **Pets travelling aboard Scillonian**

1. Pets are welcome on the outer passenger decks and the indoor areas but are not permitted in the main deck café, the lower deck or on the seats. Please look out for signs around the ship indicating pet restricted areas. Please ensure pets do not block exits or disabled seating and do not lie in the stairway areas. Guide dogs can access all passenger areas of the ship.
2. Please ensure your pet has had a chance to exercise before boarding. Dogs must be restrained by a harness or collar and on a lead whilst on-board Scillonian.
3. Please clean up after your pet and dispose of your waste responsibly in one of the waste bins on-board. Dog waste bags and dog friendly Queezibics are available to purchase from the café on the main deck.
4. Pets must be booked in advance and a maximum of 2 dogs per adult are permitted to travel.

### **Pets travelling aboard Skybus**

1. Pets are welcomed on our Skybus aircrafts that depart from Lands End Airport.
2. Your pet can travel in safety and comfort in our RSPCA approved crates. They are suitable for one large or two small dogs, measuring 90cm X 60cm X 60cm. Skybus staff are unable to handle your pet, so please make sure your pet is lifted in and out of the animal crate safely. Please do check the sizes before travelling.
3. Please contact Skybus Operations prior to travel to if you are travelling with any other type of pet, to confirm the type of pet carrier or container required for air travel.
